Registrants can download online files of the hi-res artwork for the promotion of Capt. Jack, and may request to have any Capt. Jack event listed on our events calendar.

Because of the nature of our business (NDSWM) reserves the right to not promote a Capt. Jack promotional event if said event is deemed to potentially harm our reputation as we work throughout the USA and the World to raise funds to build the Desert Shield and Desert Storm Memorial in Washington D.C. It is our desire to fully promote every event, but we wisely reserve the right to not promote. We stand ready to promote with a comprehensive social media presence to bring awareness to your brewing efforts, your brewery name, your support for the NDSWM and your event(s) surrounding Capt. Jack. We have a vested interest in seeing your promotion succeed and we will “pour” our resources into your efforts.

By registering for and participating in Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial, you acknowledge that your use of Capt. Jack logo/name/platform for your event is with the express intended purpose of participating in Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial.

You further acknowledge:

We will promote your event on our social media and our website & your event/brewery location will be pinpointed on a global event map.

Your information, name, photos sent to us, your logo and/or brewery name may be included in links promoting your participation in Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial. Your brewery contact information may be shared with Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial. You acknowledge that WE DO NOT PULL PERMITS in Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial name. NO EXCEPTIONS.

You acknowledge that the original intent of Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial is to support the fundraising efforts of the NDSWM. Events, tap takeovers, mini-fests with Capt. Jack Collaboration for the Desert Shield and Desert Storm Memorial beers on tap, etc. may use the Capt. Jack or logo and name for promotion of the beer on labels, tap handles, menus, table tents, and any other promotional material, including websites and social media. Have fun and stay safe!

Where media space permits, please mention that the beer is a fundraiser for NDSWM. Please list our www.ndswm.org website on all promotional materials or online. You acknowledge that use of the Capt. Jack logo, platform, event title, names and intellectual property necessitates fulfillment of your donation pledge to ndswm.org for the donations surrounding this event.

I acknowledge and agree to the above information.
